Join us to view a hall of beautiful Christmas trees creatively decorated to celebrate Jesus and his life and ministry and experience the magic of a European-style Christmas Market here in Naples! Enjoy artisan Christmas crafts, sweet treats, street musicians, carolers, and a delightful Gingerbread competition. This event is a fundraiser to support more than two dozen local and international Christian charities supported by North Naples United Women of Faith. A silent auction for the trees and other donated items will begin online on Monday, November 18, 2024 and end at the close of the festival.

Don't miss out on this enchanting night that celebrates Jesus as the reason for the season! Bring your family and friends and make wonderful memories together.
